Mike Hanrahan, DDS

InnovAge California PACE
(Program of All-inclusive Care for the Elderly)

“What I most enjoy about working with aging adults is hearing their remarkable stories.”

— Dr. Mike Hanrahan

A love of dentistry is in Dr. Hanrahan’s family genes. He is a second generation dentist, following in the footsteps of his father. He feels fortunate to have thrived in this rewarding career.

Dr. Hanrahan attended University of the Pacific Dental School in San Francisco, California, where he received his Doctor of Dental Surgery (DDS) degree. Upon graduation, he practiced general dentistry side-by-side with his father in a small family dental office in Garden Grove, California, where he has been practicing for nearly 40 years before coming to InnovAge. His professional memberships include the American Dental Association and the California Dental Association.

Dr. Hanrahan is also a caregiver for his 88-year old mother. He enjoys watching baseball and listening to blues music —he has over 400 albums in his collection.
